

Rocky Bay cove

HOW TO FIND US...

Whangarei is located approximately two hours north of Auckland.

The easiest way to find Tutukaka when arriving from the South is:

1. When you reach Whangarei, continue on the state highway through the first set of lights. Gull service station will be on your left, which happens to be the cheapest place to buy fuel in Whangarei so it may be a good time to fill up. Rocky Bay Cove is approximately 38kms away.
2. Continue on straight through the second and third set of lights (passed Burger King on the right). Continue for another 1 to 2 kilometres and straight through the traffic lights. Stay in the right hand lane.
3. In another 500 metres or so, you will come to another set of traffic lights. Turn right – there is a Tutukaka Coast traffic sign. The golf course will be on your left.
4. Continue straight. Go straight through the small roundabout at the top of the hill (the second exit), then straight through the next roundabout which is a further 400 metres or so down the road, also the second exit. [If you are looking for a supermarket, take the first exit left at this roundabout into Paramount Parade. There is a Countdown about 500 metres on the left hand side.]
5. Continue along Kiripaka Road which eventually becomes Matapouri Road. Continue 20 or so kms to Tutukaka. When you reach Tutukaka, the Oceans Resort will be on your right.
6. Continue straight ahead 1 km. Take the second turnoff on the right, Waipouri Lane.
7. Continue 1.8km to the very end of Waipouri Lane. Approx 1.2km down the drive you will pass through some stone pillars, past a white water tank on your right and past the Bucket sculpture. Veer to the right through the second set of stone pillars and past the Guardian at the Gate which will be on your left. You have arrived at Rocky Bay Cove!

When arriving from the North the easiest way to find us is to:

1. At Hikurangi, turn left at King St (signs for Hikurangi/Tutukaka Coast). Continue 1.1 km.
2. Take the 1st left onto Valley Rd, which becomes Marua Road. Stay on Marua Road. Continue for approx 10km.
3. Turn right into Matapouri Road. Continue approx 20km, travelling past Sandy Bay (an excellent surf beach), Wolleys Bay, and Matapouri (an excellent swimming beach). Approx 5km past Matapouri, turn left into Waipouri Lane.
4. Continue straight ahead 1.8km to the end of Waipouri Lane. Approx 1.2km down the drive you will pass through some stone pillars, past a white water tank on your right and past the Bucket sculpture. Veer to the right through the second set of stone pillars and past the Guardian at the Gate which will be on your left. You have arrived at Rocky Bay Cove!
